

Music Department Event Calendar - Spring 2018

About the Calendar

This brochure contains a monthly listing of Spring 2018 events in the UNC-Chapel Hill Department of Music. In addition to the performances listed here, there will be many student recitals, lectures, masterclasses, and other performances presented throughout the semester. For the most complete and up to date information on all our events, visit us online at music.unc.edu or contact the Department office.

Tickets

Many Department events are free, but programs that charge an admission fee are marked in this brochure. Individual tickets for all paid Department concerts are available at the door. For concerts held in Memorial Hall, you may also purchase advance tickets through the Memorial Hall box office (919-843-3333).

Subscriptions

We offer subscription options for the ticketed events in our William S. Newman Artists Series and Scholarship Benefit Series. Subscriptions provide access to these popular performances at reduced rates and typically pay for themselves in just a few concerts. Subscription passes are available through the Department office or at the door before any WSN Series or Scholarship Benefit concert. A complete list of subscription options is available online at music.unc.edu/events.

Series and Festivals

Alongside our individual events, we also curate a collection of series and festivals that run the gamut of musical thought and practice. You can find more about these special events online at music.unc.edu/events.
